SUBJECT: KAZAKHSTAN WILL PARTICIPATE IN UAE/UN GLOBAL ANTI-TIP
CONFERENCE

REF: STATE 197226

¶1. (SBU) On December 15, INL Officer delivered reftel points to Daniyar Erikovich Aimambetov of the International Organizations and Security Issues Department at the Ministry of Foreign Affairs (MFA). A copy of the points was left as a non-paper.

¶2. (SBU) Aimambetov had no questions about the conference, saying that the MFA had already received an invitation and had circulated it to the appropriate ministries for consideration. When queried about the composition and head of the GOK delegation, Aimambetov said that those decisions had not been made. He did offer that the MFA would participate.

¶3. (U) Aimambetov said he had been working on TIP issues at the MFA for the last year and a half after transferring from the Ministry of Internal Affairs.
